In re Application of :  
Vining et al. : DECISION ON PETITION  
Application No. 09/856,683 :  
Filed: 23 August, 2001 :  
Atty Docket No. 0101-P01789US1 :

This is a decision on the petition filed on 22 December, 2006, which requests under 37 C.F.R. §1.182 that a previously filed terminal disclaimer be withdrawn.

The petition is granted.

Petitioner asserts that the terminal disclaimer filed 25 February, 2005, should be withdrawn because it inadvertently references an incorrect U.S. Patent. A substitute terminal disclaimer is filed with the present petition. As the examiner has concurred, the requested relief can be favorably considered.

The petition fee of \$400.00 has been received.

Receipt of the substitute terminal disclaimer filed with the present petition is acknowledged.

This application is being referred to Technology Center Art Unit 3737 for correction of PALM and file records consistent with this decision.

Telephone inquiries relative to this decision should be directed to the undersigned at (571) 272-3231.
